Grandpa's Jew

-He's dead a while now. We didn't have to hear that!

-Well, part and parcel. We're an interesting family
in that he was in German army.

-Was he bragging or--?

-He was completely matter-of-fact guy.

-Yeah. Fact 1: encountered ragged old Jew in
bombed-out attic. Fact 2: Begged me to shoot him.

-"I've stopped running."

-Fact 3: Your grandpa complied.

-Could be looked upon as mercy.

-It's all horror!

-I'm going to read. I'll try to steer the light
so it doesn't hit you.
